GOLD BULLION RETAINS STIRLING MERCHANT CAPITAL INC.

May 21, 2015 - Gold Bullion Development Corp. (TSX-V: GBB) (OTCPINK: GBBFF) (the Company or "Gold Bullion") is pleased to announce that it has retained Calgary-based Stirling Merchant Capital Inc. ("Stirling") to provide investor relations and marketing services, including organizing and coordinating road-shows, introducing management to market participants, and assisting with the preparation and presentation of investor and marketing materials.

Stirling's business is primarily focuses on organizing road-shows for Canadian listed public companies. Stirling is operated by Sam Grier and Natalya Tatarinova. Combined they have over 15 years' experience as investor relations professionals.

Stirling will assist Gold Bullion in fostering productive, continuing dialogues with analysts, brokers, investors and other investment professionals within the financial community.

The investor relations agreement between Gold Bullion and Stirling shall have a term of 12 months unless extended by mutual agreement or terminated earlier by a party with 30 days written notice. Under the terms of the agreement, Gold Bullion will pay a monthly fee of \$5,000 (plus GST and reimbursement of travel expenses) and grant Stirling 300,000 stock options in the capital of the Company, exercisable at \$0.05 per share for a period of twelve months. The options are granted pursuant to the Company's Stock Option Plan and will vest in accordance with the provisions therein and the policies of the TSX Venture Exchange, which require that options granted to a consultant providing investor relations services must vest in stages over twelve months with no more than one-quarter of the options vesting in any three month period. This will bring the total number of options outstanding under the Company's Stock Option Plan to 21,130,000 with 9,759,059 remaining available for grant. Other than the stock options, neither Stirling nor any of its directors, officers or employees has any interest, directly or indirectly, in Gold Bullion or its securities, or any right or intent to acquire such an interest.

The investor relations agreement and the grant of the options are both subject to the approval of the TSX Venture Exchange.

About Gold Bullion Development Corp.

Gold Bullion Development Corp. is a TSX Venture-listed junior natural resource company focusing on the exploration and development of its Granada Property located on the prolific Cadillac Trend near Rouyn-Noranda, Québec. Near term gold mining operations will focus on high grade near surface material that will be trucked to lamgold's nearby processing facility. The project economics remain robust with all in cash costs forecast at US \$797 prior to the drop in fuel prices. Should the project proceed to the next level of assessment and ultimately to development and long term

production which will act as a share price catalysts. Additional information on the Company is available by visiting the website at www.GoldBullionDevelopmentCorp.com and on SEDAR.com.
